Chai Five Club – Overview

The Chai Five Club (C5C) is a multiyear giving society that was started in 2002. It supports general operations at Denver Jewish Day School (Denver JDS), formerly Herzl/RMHA. Society members are recognized publicly when they commit to donate \$1,000 or more each year for five years. A multiyear program is necessary to develop a sustainable and ongoing foundation for year-to-year financial planning. We also have membership at lower commitment levels, which help boost overall dollars.

About Our School

Denver JDS is Denver's only community, K-12 Jewish day school offering a unique model for wisdom and achievement. We integrate high-quality college preparatory and Jewish education in an individualized, supportive environment. Denver JDS is an essential asset to Denver's Jewish community, educating Jewish students to embody Jewish values and thrive in the world. Our school's success is a strong reflection that Denver is a vibrant Jewish community that values academics and Jewish life.

Having contributed over \$2.5 million, members of the Chai Five Club make a real and lasting impact on Denver JDS. For more information on joining, contact Krista Boscoe, director of development, at 720-449-9552 or kboscoe@denverjds.org.
