Monday: Art with Ms. Chartier (1/14, 1/28, 2/4, 2/11, 2/25, 3/4, 3/11, 3/18)

Price: \$169.00 for an eight class session (Price includes art supplies)

Offered for Grades: K-5

Class Meeting Time: 3:40-4:40

Description: Ms. Chartier will teach you different arts and crafts lessons including clay, origami, candle/soap making, paper mache, and printmaking. There are also a variety of free-art activities for you to choose from including: perler beads, Legos, playdough, drawing/painting/sculpting supplies.

Monday Sports (1/14, 1/28, 2/4, 2/11, 2/25, 3/4, 3/11, 3/18)

Price: \$195.00 for an eight session class

Offered for Grades: 1-5

Class Meeting Time: 3:40-4:40

Description: Team Sports with Coach J. We will be doing a variety of team sports focusing on skill development and different strategies for fun game play. The students will receive a Denver JDS Tigers blast jersey to show their school and team pride/spirit. Sports will include but are not limited to soccer, basketball, football, and baseball.

Tuesday: Science Camp Session Two! (1/8, 1/15, 1/22, 1/29, 2/5, 2/12, 2/26, 3/5, 3/12, 3/19)

Price: \$235.00 for a ten class session (Price includes all science supplies)

Offered to grades: K-5

Class meets 3:40-4:40

Description: Science Camp Session 2. The Science Blast Program is designed for curious students who are self directed and detail oriented. Each camp session will incorporate a variety of different investigations and topics. This semester we will focus on the science of color and light, pH - acids and bases, chemical reactions, and the ocean biome. Please reach out to me if you have any questions or if you are unsure if this program is a good fit for your young scientist. Megan Zitron, mzitron@denverjds.org

Tuesday: Farmette: Let's Grow Plants! (1/8, 1/15, 1/22, 1/29, 2/5, 2/12, 2/26, 3/5, 3/12, 3/19)

Price: \$195.00 for a ten class session

Offered to grades: K-5

Class meets 3:40-4:40

Description: There is a sunny window in our classroom that will allow our group to plant and grow lots of food indoors this winter! Students will get a strong understanding of soil quality, best watering practices, plant botany, life cycles of plants and techniques for growing indoors. They will grow things like microgreens, herbs, salad greens and even seedlings that can later be transplanted at the Wabash Farmette.

Wednesday: Investigative Journalism (1/9, 1/16, 1/23, 1/30, 2/6, 2/13, 2/20, 2/27, 3/6, 3/13)

Price: \$185.00 for a ten class session

Offered for Grades: K-5

Class Meeting Time: 3:40-4:40

Description: It's time to take your journalism and investigation skills to the next level! Join Ms. Litz (from the Upper Division) for a new Investigative Journalism class! Students will be investigating a different scene that has been set up each week and gathering evidence to determine what happened. Students will work as detectives to collect facts and analyze the evidence. They'll interview suspects and witnesses, and they will examine records. Join us for what is sure to be a fun time.

Wednesday: Art with Ms. Chartier (1/9, 1/16, 1/23, 1/30, 2/6, 2/13, 2/20, 2/27, 3/6, 3/13)

Price: \$195.00 for a ten class session (Price includes Art supplies)

Offered to grades: K-5

Class Meets 3:40-4:40

Description: Ms. Chartier will teach you different arts and crafts lessons including clay, origami, candle/soap making, paper mache, and printmaking. There are also a variety of free-art activities for you to choose from including: perler beads, Legos, playdough, drawing/painting/sculpting supplies.

Wednesday: Yoga With Coach J! (1/9, 1/16, 1/23, 1/30, 2/6, 2/13, 2/20, 2/27, 3/6, 3/13)

Price: \$185.00 for a ten class session

Offered to grades: K-5

Class Meets 3:40-4:40

Description: We will be participating in a yoga style class, going through a proper warm up, learning a variety of flows, poses, and positions. The students will learn different breathing techniques as well as some different yoga style games.

Thursday: Farmette: Cooking Class: Good Eats that Kids Can Make Themselves (1/10, 1/17, 1/24, 1/31, 2/7, 2/14, 2/21, 2/28, 3/7)

Price: \$179.00 for a nine class session

Offered to grades: K-5

Class meets 3:40-4:40

Description: In this class students will learn how to integrate whole grains and fruits and/or vegetables into lots of wonderful from-scratch recipes that they themselves can make at home, using kitchen utensils, a blender and a stovetop burner. Kids are empowered when they know how to cook, and they will often consume healthier foods if they have prepared them. Making food is also a nice way for kids to express love and gratitude to their families. Many of the recipes will be driven by student ideas with small tweaks to make each one more nutritious through the addition of whole grains, fruits, and vegetables.

Thursday: Let's Start Creating With Mr. Einstein! (1/10, 1/17, 1/24, 1/31, 2/7, 2/14, 2/21, 2/28, 3/7)

Price: \$197.00 for a nine class session (Price includes all supplies)

Offered for grades: 3-5

Class Meets: 3:40-4:40

Description: This BLAST will be devoted to giving students the space, freedom, and guidance to take an idea and make it a reality. Each week, students have the opportunity to engage in design challenges, new skills, and activities. A collection of resources, games, tools, materials, books, puzzles, and loose parts are also available to students.
