

AT A GLANCE

Annual Dinner • March 18, 2020

Founded in 1975, Denver Jewish Day School (Denver JDS) has been educating Denver's Jewish youth for nearly 45 years. We use progressive, leading-edge education models to offer students a modern, integrated and rigorous education rooted in Jewish tradition, ethics, and beliefs. Our faculty and staff partner with families to help each student reach his or her highest personal and academic potential. Every day at Denver JDS our students are inspired to explore, inquire, and grow.

Our mission: Our pluralistic Jewish community day school prepares and inspires Jewish students through an extraordinary secular and Judaic education to live purposefully, act ethically, and thrive in the world.

Why the Annual Dinner Matters

Denver Jewish Day School's annual dinner is the largest fundraiser of the year, raising more than \$400,000 (1/4 of the funds needed to meet the school's annual fundraising budget) through ticket sales, tribute ads, partnerships, and donations. Funds raised help support teacher salaries and professional development, provide financial aid to more than 50% of our students, and help us maintain an innovative, cutting-edge curriculum.

Match Challenge

We are always looking for ways to enhance our community. Each year, Denver JDS conducts a match challenge to encourage dynamic fundraising at the Annual Dinner. This year's match funds will be dedicated to educational excellence at Denver JDS.
